

## Dear employees,

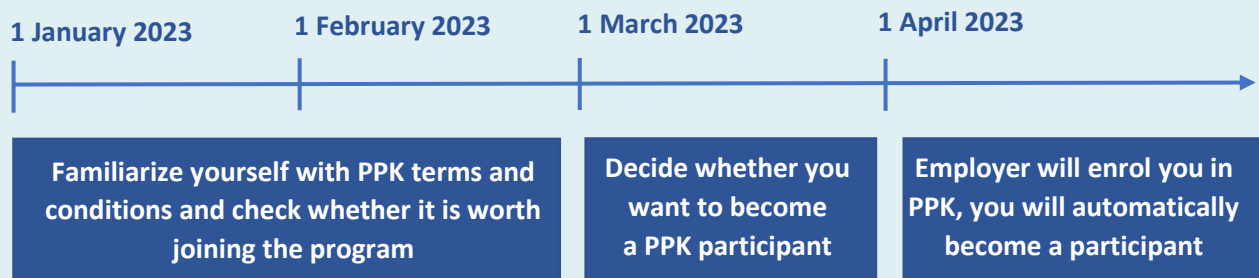

we kindly inform you that on **the 1st April 2023 there will be PPK automatic enrolment**. It is carried out every 4 years, basing on art. 23.6 of the Act of 4th October 2018 on employee capital plans.

### Who does auto-enrolment apply to?

PPK automatic enrolment applies to **employees aged 18-55 who have previously submitted a declaration of resignation** from paying contributions to PPK.

### What to pay attention for?

- the current declaration of resignation from PPK is valid until **the 28th February 2023**,
- people who are already PPK participants do not have to re-enrol, they will not be unsubscribed,
- **only the employer can enrol an employee in PPK** - the employer is obliged to conclude a PPK contract on behalf of an employee and make payments to his/her PPK account **from the 1st April 2023**.

### What benefits does PPK bring?

-  **the employer and the state contribute** to the employee's payments
-  these are **private funds** that are inherited
-  possible **payment of funds in the event of a serious illness** or to cover your own contribution for a loan
-  **funds are invested**, you have **full control of your funds by monitoring 24/7** the status of PPK account at [mojallianz.pl](https://mojallianz.pl).

### Where to find out more?

**TFI Allianz Polska**, as the institution keeping PPK accounts, organizes webinars for employees, during which details related to automatic enrolment to PPK are discussed.
